

Monday 16 March 2020, 9am

Melbourne Colonial Dancers will temporarily suspend all dances, effective noon Monday 16 March.

All classes will be cancelled, and all beginners will be offered a refund or the opportunity to exchange into a future beginners class.

The decision to close is based on advice issued by health authorities in order to slow the spread of COVID-19.

We will be continually monitoring the situation and will keep you informed of plans to resume or any other changes.

Melbourne Colonial Dancers cares deeply about the health and safety of all dancers and callers. We acknowledge that the suspension of normal operations is a difficult but essential action for the health of the Victorian public.

We thank our community for its support during this challenging time.

Please check our website and social media channels for the latest updates and information.

We recommend keeping up-to-date and following advice from the Australian Government Department of Health, particularly regarding isolation protocol and practising good personal and respiratory hygiene.

We are doing this proactively in the interests of all. We believe this is a cautious and prudent response in an evolving situation.

Thank you for your understanding,

Melbourne Colonial Dancers Committee
